<b>EVENT DESCRIPTION:</b>	
<p>The session started at 09.00.</p> <p>Following the General Assembly of the PACTUM project, held in Siena the last month, the call had the aim to make the final step to proposing a complete master's program.</p> <p>The master's related documentation was updated, and the timing and responsibilities for the accreditation process were set.</p> <p>The partners from the University of Montpellier presented a commitment letter in English and French to be submitted to each Tunisian university. Through this letter, each Tunisian partner declares its commitment to the launch of the PACTUM Master.</p> <p>December 31<sup>st</sup> 2022, is the deadline set to submit the engagement letters, signed by the representatives of each institution, to the coordination team in Siena.</p> <p>A to-do list for the next steps related to our WP3 (<i>Master's development</i>) was also defined:</p> <ol style="list-style-type: none"><li>1. study plan with credit for each university</li><li>2. list of subjects with teachers</li><li>3. list of completed syllabi</li></ol>	

During this session meeting, the partners agreed to proceed with the advertisement of the master, and the *Press Release* document was presented.

The document will be published on the PACTUM web page the next week.

The session ended at 10:00.
